Brothers treat crowd at the cultural corridor to a one-hour Thayambaka performance

STAFF REPORTER

**THIRUVANANTHAPURAM:** Brothers S.B. Ananth Krishnan and S.B. Aravind Krishnan enthralled the evening crowd on Manaveeyam Veedhi with a splendid Thayambaka performance on Sunday.

Ananth Krishnan, a Class 12 student of Kendriya Vidyalaya, Pattom, and his younger brother, Aravind, studying in Class 10 at the same school, showed their mastery over the traditional instrument during their hour-long performance.

The elder one learnt the basics at the age of seven. "He used to pester us to buy the instrument," said his mother Bindhu Mani, Information Officer, Tourism Department. The lessons started with Margi, before the enthusiastic student switched to the tutelage of Kalamandalam Krishna Dhas.

"Nothing satisfies me more than playing the instrument. It

relaxes and rejuvenates the body," said Ananth.

For the duo, one hour's daily practice is a must. They spend time with their guru on week-

ends. "The best thing is that they find time to study and practise," said Bindhu.

The brothers have given around 150 stage performances,

including a fusion concert with Chennai-based M. Lalitha and M. Nandhini, known as Violin Sisters, at the Nishagandhi festival here.
